About the College:

SSRMT'S SSR COLLEGE OF EDUCATION

Swargheeya Sanjibhai Rupjibhai (SSR) Memorial Trust was established in 2003 by Hon'ble founder chairman late Shri. Mohanbhai Delkar with an objective to provide quality and professional Higher Education in tribal area of DNH and vicinity area. SSR Memorial Trust has established educational center in the form of four colleges, which are affiliated to renowned Savitribai Phule Pune University, Pune, Maharashtra.

SSR College campus is having lush green sprawling lawns and gardens. All colleges have well equipped infrastructure which provide holistic conductive environment for all round development of students. SSR college of Education is the only English Medium college of Education (B.Ed.) in this belt of UT of DNH. It is accredited by NAAC with B+ grade. The college is working with a vision for its academic excellence. All the staff is highly qualified and contributing with their creative ability and innovation to develop the student trainees with sense of dedication and commitment towards the teaching profession. The college always try to transform untrained graduates into highly skilled teachers. College provides dynamic environment with mentor mentee approach, visit to Industry, Botanical gardens, Historical Museum, etc. various educational conferences, workshops, webinar, guest lectures and celebration of various days add the best qualities in the student teacher's personality.

About AIAER

The All India Association for Educational Research (AIAER) addresses itself to the problems of research in education in general but more attention is given to such problems from the Indian scenario. Therefore, the membership is open to all those persons who are willing to associate with this goal. We welcome your help, guidance, and support..

About the Conference

The Conference, entitled as "-AI for a Sustainable Education: Bridging Tech and the SDGs." aims to provide a platform for academicians, policymakers, researchers, and practitioners to engage their insights on the transformative aspects related to Artificial Intelligence. Artificial intelligence (AI) is transforming the education sector and contributing to the United Nations' Sustainable Development Goals (SDGs) presenting both immense opportunities and unique challenges. By integrating ethical and philosophical insights from Education with cutting-edge AI developments, the discussions will focus on innovative solutions for global challenges, including education, governance, and environmental sustainability.

Objectives of the AIAER:

To develop and promote educational research.

To provide a forum for discussion of problems related to educational research.

To conduct workshops, seminars, conferences etc. on educational research.

To disseminate findings on educational research.

To publish journals, monographs and other types of literature on educational research.

To co-operate with organizations engaged in educational research.

To carry out all such other activities as may be conducive to the attainment of the above objectives.

Objectives of the Conference:

- To promote interdisciplinary interaction.
- To foster human resilience in the age of AI.
- To integrate AI in education & research.
- To develop AI-based sustainable solutions.
- To highlight the sustainable development goals in Education.
- To bridge a roadmap for sustainable future.
- To highlight the role of AI in sustainable living.

Theme:

'AI for Sustainable Education: Bridging Tech and the SDGs.'

Sub-Themes

1. Harnessing AI to unlock the SDGs.
2. Converging AI Innovation with the SDGs.
3. Intelligent pathways to Global Goals.
4. AI for Educational Researches.
5. AI for Transforming Tomorrow.
6. Innovative solutions for sustainable Development.
7. AI and Quality Higher Education.
8. AI: Boon or Curse for Higher Education.
9. AI and Indian Knowledge System.
10. AI and Human Resilience for a Sustainable Future.
   - Any other relevant topic to the main theme.
