Timing	:- 12:00-2:00 am
Venue	:- Devkiba College Campus, Silvassa
Organized By	:- Science Department, Devkiba College in collaboration with ISRO
Number of Participants attended	:- 25 Students of S.Y. B.Ed. and all staff

Report

“Educational Visit – ISRO Exhibition”

Objectives: To educate students about India's space program and its significance.
To showcase various rockets, satellites, and space missions undertaken by ISRO.

SSR College of Education, Silvassa organized educational visit to “ISRO” Exhibition” at Devkiba Mohansinghji Chauhan college of Commerce and Science on 5th July 2025. I/C **Principal Dr. Sarika Patel**, all teaching staff and students of S.Y. B.Ed. visited to ISRO Exhibition.

At the beginning all participants entered through a beautiful planetarium. Then watched a short film based on development of Indian satellite technology. Prominent scale models of ISRO's operational launch vehicles like the Polar Satellite Launch Vehicle (PSLV) and Geosynchronous Satellite Launch Vehicle (GSLV) were displayed. Volunteers provided live demonstrations of basic rocket science principles and the working of satellite communication.

Director **Dr. Meena Kute** motivated students and staff for such initiatives which are crucial for fostering scientific literacy and igniting a passion for exploration among young minds, contributing directly to the nation's progress.

Outcome:

Educational visit to the ISRO Exhibition was an unqualified success. It served as an excellent platform to bridge the gap between complex scientific research and understanding.

Glimpses of visit :
